

## PROJECT SNUGGLE-IN

### ***Invitation to PC Palace Suppliers:***

PC Palace would like to welcome you to the group of businesses who care and give back to the community, whom we support us on a daily basis.

Winter is here!! As we all know there is nothing more uncomfortable than cold feet and no warm pyjamas in winter. All of us here at PC Palace want to show we care and re-launch Project Snuggle-In. Our focus once again on the youth who is the future of South Africa.

PC Palace wants to invite you, our supplier, to make a difference. Not by handing money to the needy but getting actively involved in relieving suffering in our community.

We urge you to donate a minimum amount R250 to our project. Please limit your contribution to a maximum of R250 as we will be launching worthy projects on a quarterly basis and we would love to involve you in all our future "fun-but-worthy" community projects. The Project Snuggle-In will start on Monday, 11 June 2007 and end on the Friday, 15 June 2007.

For every R250 PC Palace receives from our suppliers, PC Palace will donate R250.

PC Palace personnel will buy winter pyjamas and slippers for each child from the selected child welfare homes within two week from 18 June 2007. A list of the organizations benefiting from this project will be forwarded to all donators who will receive the photos of the occasion.

We thank you for your interest and support in Project Snuggle-In. We believe that each and every company who is willing to support us will benefit in future for their kind assistance.

## PROJECT SNUGGLE-IN

### **Conclusion to PC Palace Suppliers:**

PC Palace delivered on 2 July 2007 to the Louis Botha Children's Home, houses Three and Seven, whom were in need of children pyjamas and slippers. On arrival we met the children's house-parents and came to realise what special people they are by opening their hearts by caring for these children.

### **Historical Background of Louis Botha Children's Home:**

*Ms Helen de Waal, daughter of the first Minister, General Louis Botha, established a Children's Home in 1918 for the care of all the children who were orphaned by the "Groot Griep Epidemie"*

*The Louis Botha Children's Home is an independent non profit organisation who cares for traumatised children who were removed from their parental homes by the Children's Court for sexual molestation, physical and emotional abuse and or neglectance.*

*The Louis Botha Children's Home provides a home and Therapeutic Service to these children to prepare them for a bright future.*

The joy filled faces of these 22 children made this project a huge success. Without your support it wouldn't have been possible.

VIR AANDAG: TOMMY EN JANINE

Beste vriende van PC Palace

In hierdie koue wintertyd verwarm dit ons harte om te weet daar is mense wat omgee. Elkeen van ons kinders het 'n warm bedjie om in te slaap en dis grootliks te danke aan die volgehoue ondersteuning van die gemeenskap.

Baie-baie dankie vir u donasie aan Huis 3 en Huis 7 vir slaapklere, pantoffels, sjokolade, serpies en mussies (vir die dogters), wat ons van u op 2 Julie 2007 ontvang het! 'n Kind het nodig om te weet dat daar mense is wat omgee en u betrokkenheid bring sonskyn in hulle lewens. Hulle almal sê hoe lekker warm hulle slaap in hul nuwe slaapklere! Aangeheg by die e-pos is die foto's van die kinders. Dit mag ongelukkig nie in 'n koerant geplaas word nie, maar wel intern by jul besigheid. Dit is ter beskerming van ons kinders.

Dankie vir u liefde wat die koue verdryf.

Vriendelike Groete
